WILLISTON JUNIOR HIGH SCHOOL STUDENT HANDBOOK

1964 - 65

Carla Bergstrom

Letter to Students

On behalf of the entire staff of Williston Junior High School, may I welcome you.

The following information is prepared to acquaint you and your parents with your school program, services, activities, and policies.

Your success at Williston Junior High School is largely what you make it. Every student should do his very best work in regular classes, and should participate in some of the activities. If you will put forth your best effort and enter wholeheartedly in the school life, not only will you enjoy, but you will also gain the benefits of a good education.

I wish you success in developing a fine reputation and record for yourself, and a good school spirit for Williston Junior High School.

Sincerely,

R. W. JUHALA, Principal

L. T. HAVIG, Superintendent, Williston Public Schools

GARY HOFFELT, Student Council President

GENERAL REGULATIONS

A GOOD RULE OF THUMB

Probably the most important responsibility of all is to use your head under all circumstances and remember that you are expected to be a lady or a gentleman AT ALL TIMES. No written rules and regulations can possibly cover all situations. YOU ALL KNOW RIGHT FROM WRONG. Let's make Williston Junior High School a place where each respects the rights and property of others, remembering that we are here primarily to get an education and to enjoy our school years in a fine, wholesome atmosphere.

THREE IMPORTANT NO'S

1. No student will be permitted to smoke either in the building or on the school grounds.
2. Neither paper, nor other scraps or missiles, are to be dropped or thrown in the building, or on the school grounds. Waste baskets and receptacles are available at strategic points for depositing any of these items. **Transistor radios will not be allowed in school.**
3. No student will be permitted to chew gum, eat candy, sunflower seeds, or any similar items, in the building at any time of the day. It is best to leave these items at home to avoid temptation and demerits.

CARE OF BOOKS, DESKS, AND OTHER EQUIPMENT

The taxpayers of our school district have gone to great expense to provide us with a good school, adequate books, desks and other equipments. Let's care for them properly. Students marking, or otherwise wilfully damaging any public property will be required to pay for it—or repair it—as the case may be.

MISBEHAVIOR

Students dismissed from a class for misbehavior, or found to be generally conducting themselves in an uncooperative manner, may be sent home for an indeterminate period and may be reinstated when accompanied by their parents. Both students and parents must then be made to realize the type of behavior required in school.

TEACHER'S AUTHORITY

ANY TEACHER has authority over ANY STUDENT AT ANY TIME IN THE BUILDING OR ON THE SCHOOL GROUNDS.

ARRIVAL AT SCHOOL

Students are asked not to arrive at school in the morning before 8:40 unless their presence is required for some school activity or a transportation problem is involved. Home Rooms will be unlocked at 8:30. All students must report to their own Home Room immediately. At 8:50 they must be in their own seats or reported tardy. At 9:00 the bell is sounded for passing to their first period classes.

TRAFFIC IN THE CORRIDORS

All traffic in the halls must move in an orderly manner. Students may not walk by more than twos when moving from class to class. Although talking is not prohibited, pupils are expected to move along in an orderly and courteous fashion. PLEASE do not block traffic by stopping to chat with friends or by walking arm in arm.

RECEIVING MESSAGES AT SCHOOL

Parents are requested to keep telephone calls to students to an absolute minimum. A student WILL NOT be called from class to answer the phone except in grave emergencies. Students will be told of the call when there is least chance of class interruption. Return calls should be made between classes, before or after school, or during the lunch period.

STUDENT PHONE

A pay phone for student use is located in the main hallway. The length of calls on this phone must be kept to a minimum so as to make it readily available to others. This telephone may be used only for local calls.

ATTENDANCE LAW

Students in the schools of North Dakota are required by state law to remain in school until they reach the age of 16. All students are urged to give serious thought and effort towards completion of Senior High School. Each year education becomes a more necessary requirement for success. Except under very special circumstances, a minimum of 160 days of school attendance each year shall be required for promotion.

ABSENCES

No student shall be absent from any class without good and sufficient reason. If you **MUST** be absent from school bring a statement **THE DAY OF YOUR RETURN**, signed by one of your parents or guardian and give the **CAUSE AND DATES OF YOUR ABSENCE**. If you are absent because of illness the statement should include the nature of your illness.

Present this excuse to the office, for readmittance to school, and to each of your class room instructors for their signature. **The completely signed make-up slip should be returned to the office.**

Excused: No penalty if work is made up within the time designated on the make-up slip.

- a. Personal Illness
- b. Illness or Emergency in Immediate Family
- c. Religious Holidays—(work made up in advance)
- d. Medical Appointments—(Student excused only for time of appointment and time needed to go and return. Appointments during school hours to be avoided if possible.) These must be arranged for in advance with an excuse from the parents and/or physician or dentist. Appointments should be made during the student's study period, if at all possible.

Unexcused: All absences due to items not mentioned in the preceding paragraphs. This is basketball tournaments, hunting trips, etc.

Truancy: 1st Offense—Readmitted by principal.
2nd Offense—Readmitted only when accompanied by parents.
3rd Offense—Suspension at the discretion of the principal with possible recommendation for expulsion.

TARDY

To Class: Student must go to the Office to obtain an admittance slip. If the tardiness has been due to pupil wasting time, then time—(not less than one-half hour)—must be made up after school.

To Home Room: Report to the Office for an admittance slip to the Home Room. Penalties for tardiness are handled by the Office.

PERMISSION TO LEAVE SCHOOL

No student may leave the school building after school is in session for the day without permission from the Office.

RECUPERTIVE ABSENCES

Students absent from school **ALL OR ANY PART OF THE DAY** of participation in a school event such as a ball game, cheerleading, variety show, concert, play, etc., will be considered too ill to take part in the event. If the absence occurs after an event it may be classified as truancy unless serious illness is indicated. Tiring extracurricular activities will be limited to those students with the physical stamina to handle both them and their school attendance.

ANNOUNCEMENTS

Announcements of general importance and interest to the student body and faculty will be made every morning, noon, and just before dismissal over the inter-com system.

Anyone wishing to have an announcement read should have it in the office by 8:45. All announcements must be signed by the person requesting them.

BUS RULES

Students riding buses are expected to conduct themselves in a mannerly fashion. The driver is in full charge of the bus and the students riding in it. The driver has the same authority as a teacher. Students are expected to comply promptly, cheerfully and fully with the driver's requests.

CITIZENSHIP GRADES

A Junior High student's report card indicates, in addition to grades in their academic subjects, a grade in citizenship. In contrast to regular subjects where a grade is given after six weeks' effort to prove ability, everyone's citizenship grade begins with an "A."

This grade is reduced proportionately as the student deviates from good conduct. Each teacher grades the student on conduct, taking into consideration behavior, attitude, willingness to cooperate, and punctuality which constitutes the whole conduct grade from the instructor.

The student will be given the lowest conduct grade—on his or her report card—given by any one of the instructors for that given six weeks period.

We urge the parents of students who receive a grade "D" or "F" in conduct to make an arrangement with the principal for conference.

Students failing in citizenship ("F" or "D"), are refused admission to the school's social affairs, may not lead cheers, participate in athletic contests, or actively hold any school office.

LOCKERS

Lockers are assigned at the beginning of the school year through the student's Home Room teachers. You will usually be asked to share a locker with someone else within your Home Room. Lockers are to be used as storage for wraps and school supplies. **They are to be kept locked at all times and the combination known only to you and your locker partner. It is the responsibility of each person to see that the locker is clean and neat at all times. They will be frequently inspected.**

On reporting to Home Room a student should have in his possession all books and supplies needed for the three morning or three afternoon classes. **STUDENTS WILL NOT BE ALLOWED TO RETURN TO THEIR LOCKERS BETWEEN CLASSES WITHOUT SPECIAL PERMISSION FROM A CLASS-ROOM TEACHER AND ONLY UNDER VERY DIRE CIRCUMSTANCES.**

LOST AND FOUND

A "Lost and Found" department is maintained in the school office. Any books or other items left in classrooms or around the building should be turned in here. Owners, after proper identification, may claim their possessions. Much loss of articles and books can be avoided if everyone makes a thoughtful effort at all times to hang on to their things. On leaving each class make a careful check of your desks to be sure that you have all your books and supplies with you.

EMERGENCY CLOSING OF SCHOOL

Blizzards: Notice will be phoned to all radio and TV stations in Williston which are open at that time in the morning to receive such messages, as to whether schools will be closed or in session.

If school is NOT called off and it might be unwise for some pupils to come because of distance involved, it is then the responsibility of the parents to make the decision as to whether or not the student should remain at home. Students finding it impossible to attend school because of bad weather should remain within the safety of their homes.

The school's policy is to remain open if it possibly can.

SUPPLIES IN CLASS

Students are required to arrive at each class during the school day with the necessary tools of a student's trade; that is, **textbooks and/or workbooks, pencils, a supply of paper, and other items pertinent to the subject being taught and required by the instructor.** Students who fail to meet these classroom requirements may be dealt with at the discretion of the individual instructor.

ASSEMBLIES

General students assemblies are held in the gymnasium at varying times during the school year.

Many assemblies are sponsored by a school organization with student participation; others are part of a lyceum series or in honor of some special event.

Before reporting for assemblies the students must return to their Home Rooms and march down with the advisor as classes are called on the intercom. Each Home Room has a special place to sit and is held accountable for good conduct while in the assembly. Any talking, disorderly applause such as whistling, the chewing of gum or eating of candy, or any other unmannerly behavior will not be tolerated. Pupils who exhibit poor citizenship in any assembly may be barred from attendance and assigned to a study hall during the period.

COURSES OFFERED

Seventh Grade: English, Math, Geography, Physical Education, Living Science, Choir or Music Appreciation, *Band, *Art

Eighth Grade: English, Math, History, Earth Science ($\frac{1}{2}$ year), Physical Education, North Dakota ($\frac{1}{2}$ year), *Choir, *Band, *Art

Ninth Grade: English I, General Science and/or Home Economics I, Algebra, Physical Education, *General Business, *Latin I, *Shop, *World Geography, *Vocational Agriculture I, *Choir, *Band

* Electives

Seventh grade students are required to carry four academic subjects, plus music. Eighth grade students are required to carry four academic subjects. Ninth grade students are required to carry four academic subjects.

GENERAL FEES

TEXTBOOKS: Textbooks are provided for seventh and eighth grade students without special charge. Ninth grade students will rent their textbooks and purchase workbooks.

GIRL'S PHY. ED. LOCK FEE

Girls must have a combination lock for their phy. ed. baskets. These may be purchased in the office for \$1.00. A refund of 75c will be given the student when the school lock is returned in the spring.

TOWEL FEES: All students taking Physical Education are required to subscribe to a towel service at a cost of \$2.50 per year, which includes the N. D. High School Activities Association insurance. Towels are furnished by the local school district, and a student is issued a clean towel for two Physical Education periods.

PAPER AND ASSEMBLY FEE

The Junior High School paper is 75c per year (it is requested that one copy be purchased for each family).

The Assembly fee is 50c per year. All students should attend the assemblies.

BOOK RENTAL FOR 9th GRADE

Subject	Text Rental	Weekly Current Publication	Lab Fee	Lab. Manual or Workbook	Total Rental per Subj.
English Comp. & Lit.	\$2.00	\$1.50			\$3.50
General Science	1.00	.70	\$1.00	\$1.50	4.20
World Geography	1.00				1.00
Shop	1.00		2.00		3.00
Algebra	1.00				1.00
Home Economics	1.00				1.00
General Business	1.00			2.50	3.50
Latin I	1.00				1.00

FEES FOR 7th, 8th & 9th GRADE

Physical Education	\$2.50
Junior High School Paper	.75
Assembly Programs	.50
TOTAL	\$3.75

Girls' Physical Education Basket Lock Fee: \$1.00
(75¢ refunded when lock is returned)

REPORT CARDS

A total of six grade reports, one for every six weeks, are issued to the students and their parents by the classroom teacher. These cards are handled through the Home Rooms.

Parents are urged to study the record of the child's attainment in the subjects he is studying and also the grade indicated for citizenship.

We urge parents to work very closely with the school at all times, especially when students are receiving unsatisfactory grades.

GRADING SYSTEM

Grades are given in Junior High School for the following reasons:

1. To inform the student regularly of the quality of the work done.
2. To inform the parents regularly of the work done.
3. To form a basis for permanent records which are sent to other schools with transfers and to the Senior High School for graduation purposes.

Students will be marked: A, B, C, D, F, I, S and U

- "A" (94-100)—Excellent—Meets requirements for grade level with a superior quality of work.
- "B" (87-93)—Good—Meets requirements for grade level with high quality of work.
- "C" (76-86)—Average—Meets requirements for grade level with average standard of work.
- "D" (70-75)—Below Average—Does not meet assignments and requirements for average grade level.
- "F" (Below 70)—FAILING—Work is unsatisfactory. This grade on the report card indicates that the student is in danger of failing for the year.
- "I"—Incomplete—This indicates unfinished work. Incompletes not cleared up by the end of the following six weeks will become a grade of "F."
- "S"—Satisfactory—This indicates that satisfactory work is being done in this subject.
- "U"—Unsatisfactory—This indicates that unsatisfactory work is being done in this subject.

ACADEMIC HONOR ROLL

This is based on a 10-point achievement. Students' academic marks must add up to 10 points in order to be on this honor roll. A—3 points, B—2 points, C—1 point, D—0 points, F—1 point.

Any student who receives a failing grade in an academic or co-curricular subject, or citizenship, may at the discretion of the principal be omitted from the Honor Roll for that six weeks period even if he, or she, has met the honor point requirements to qualify for the Academic Honor Roll.

FAILURE NOTICES

A grade of "F" on the report card indicates to both the student and his parents that he is doing failing work in the subject indicated.

At the end of the first six weeks period letters are mailed to the parents of those students failing in one or more subjects. Parent-teacher conferences on school work or behavior can be arranged at a time convenient to both parties by calling the school office.

CAUSES OF FAILURE

1. **LACK OF REGULAR ATTENDANCE**—A thorough knowledge of the subject taught cannot be gained unless the student is in class when the material is presented and explained. Parents will do their child a great service if they make an effort to see that he attends school regularly.
2. **LACK OF SATISFACTORY HOME STUDY**—Daily assignments are made in each major subject although sometimes class time is allowed for completion of it. However, any student doing less than average work always has an additional studying that can be done if it is only re-reading the day's subject matter.
3. **POOR HABITS OF STUDY**—Homework should be done in a quiet, properly lighted place which affords no distractions. A regular time should be set aside for study and RADIO, TV, CONVERSATION OR VISITS FROM FRIENDS should not be allowed to interfere.
4. **POOR ATTITUDE TOWARD SCHOOL**—No child can attain success in school unless he gives his attention to school work, performs his tasks to the best of his ability, and behaves courteously. A student who wastes time, does slovenly and careless work, or creates disturbances in class or around the school, marks HIMSELF as one unwilling and uninterested in availing himself to the opportunities being offered.

5. **PHYSICAL HANDICAPS**—In some cases failure to work satisfactorily in school is due to poor hearing, poor eyesight, or poor health. Such failures should be prevented by having the causes remedied.

PROMOTION REQUIREMENTS

Junior High School students will be promoted upon completing satisfactorily the required subjects. Any required subject failed must be repeated.

Ninth grade students must have completed satisfactorily all seventh and eighth grade subjects and must have 2½ credits in the ninth grade in order to be promoted to the Senior High School. (Exception: Students with less than 2½ credits in the ninth grade may be permitted to take some courses at the Senior High School, if deemed advisable by the Junior and Senior High School principals to provide a better program for the student.)

NOON LUNCH PERIOD

Junior High School students have the privilege of eating their noon luncheon at the Central School Building. Students bringing their lunch must eat their lunch at the Central School Lunch Room.

We discourage students from eating at school who live within six blocks from the Central School Building, unless their parents are both working.

COST: Single tickets—25¢, 10-meal ticket—\$2.00. (The single meal ticket must be used the day purchased.)

Junior High School has **no jurisdiction** in the operation of the Hot Lunch Program, only to supervise the behavior of our own students.

PROPER SCHOOL CLOTHES

BOYS: Belts must be worn at all times, shirts tucked into trousers and properly buttoned. Of course, a gentleman never wears a hat or cap in a building and always is clean and looking his best.

GIRLS: Girls are expected to be dressed in a feminine and neat manner. Slacks, shorts, bermudas or any other type of sports pants should not be worn. If slacks are necessary for warmth during the winter they must be removed for the school day.

Cleats are forbidden.

GOOD GROOMING—Appearances Count

Your general appearance speaks for or against you before you have a chance to speak for yourself. It reveals at a glance the general state of your health and mind, your ideas about grooming, and how much you know and care about clothes. It tells what you really think of yourself and others.

Health and cleanliness are the first two essentials of good appearance. A proper breakfast eaten slowly will do more for your health than that extra ten minutes of sleep and you'll have energy for your morning class-work! Because we are what we eat, a good rule to follow is . . . "Eat everything you like after you have eaten what you should." Cleanliness is a routine necessity, and following your bath use an underarm deodorant to protect your clothes, as well as your reputation. Clean nails, well-brushed teeth, and well-groomed hair are evidence of your good grooming habits.

Good taste in dress includes more than the ability to choose becoming clothes and the knowledge of how to wear them. Care for your clothes; don't put pins where buttons ought to be. Press your garments frequently and hang them on a hanger after you wear them. Clean, well-pressed clothes are a sign of neatness, along with well-polished, dust-free shoes.

We discourage the use of make-up in any form in the Junior High School age students.

LIBRARY RULES—Conduct While In The Library

1. Absolutely no talking between students, only between the librarian and students.
2. Books removed from the shelf must be returned to their proper location.
3. No books shall be taken from the library at any time without checking out the book with a librarian.
4. Magazines and newspapers will be replaced on the shelves in a neat manner.
5. Students will not take dictionaries, encyclopedias or reference books from the library. (These books are marked with capital R before the classification number.)
6. Teachers may check out dictionaries, encyclopedias and reference books to their classrooms.
7. No student shall do work in the library which can be done as well in the study hall.

CHECKING OUT BOOKS

1. One book may be checked out at a time by the students.
2. Books will be checked out on a two-week basis.
3. On book card you will put your first initial and last name with your Home Room number in parenthesis.
4. The book will be due back on the last date stamped on the date due card.
5. **A two cents a day fine will be charged on overdue books. This will include weekends and holidays.**
6. Lost or severely damaged text and library books shall be paid for by the students.

STUDY HALL REGULATIONS

1. Absolutely no talking without permission.
2. Students must remain constructively occupied at all times.
3. Reference books, dictionaries, and magazines are to be handled with care and must be returned to the proper place in good order.
4. Chewing gum, candy, sunflower seeds, etc., are strictly forbidden.
5. Students will inspect desks at the beginning of each period and report any carvings to the supervisor.
6. Students will familiarize themselves with library regulations and follow them carefully.
7. Students will enter and leave the study hall in an orderly manner.
8. Students will leave outside garments in lockers during school time.
9. It shall be the duty of the study hall instructor to regulate the number of students allowed in the library at any given time.

PHYSICAL EDUCATION DEPARTMENTS

The Physical Education Program at Williston Junior High School is organized for the purpose of giving each student a better understanding of his or her physical ability together with their mental ability; also becoming more familiar with the various sports and games which will in turn make them better-understanding citizens when they are spectators.

Letter grades are given to each student with the following points considered in giving the grade: clean uniform every week, conduct, attitude and participation in class, written and skill tests.

If a student is carrying any valuables, money, watches, etc., it is their responsibility to put these valuables in the instructor's office, which will be locked during class.

GENERAL SHOP I

1. There shall be absolutely no "horseplay" in the shop at any time.
2. No student shall operate any power machine until given permission by the instructor.
3. No student shall operate any power machine while the instructor is out of the room.
4. All broken or damaged tools or equipment must be reported to your instructor immediately.
5. Any injury, no matter how slight, must be reported to the instructor immediately.
6. There shall be **no talking** between students without permission by the instructor.
7. Students shall use only the tools that they themselves have checked out.
8. No student is permitted in the following areas without permission: Tool Room, Lumber Rack, Paint Supply, Filing Cabinets, and Welding area.
9. Any violation of the above rules will result in the immediate dismissal from class for the remainder of the year.

ORGANIZATIONS

Student Council, Parent-Teacher Association, Masquers Club, Science Club, GAA (Girls Athletic Association), Art Club, School Newspaper, FHA (Future Homemakers of America), FFA (Future Farmers of America), Band, Choir, Cheerleaders, Boys Athletics (Football, Wrestling, Basketball, Track), and Mathematics Club.

FIRE DRILL

The fire alarm is sounded by a honking blast from the Fire Alarm Horn, and a continuous ringing of the bell. The bell will continue to ring after the honking stops.

The first students reaching the door **must remain there to keep the doors open**. Teachers must at all times direct traffic and at no time must students be allowed to run, push, or in any other way disrupt smooth flow of traffic. Students must be cleared far enough away from the front of the doors to give ample room for firemen to enter the building.

Students going through the **SOUTH DOOR** will turn east and follow the sidewalk—KEEP OFF THE GRASS.

Students going through the **WEST DOOR**—Those going out the **right side door** turn **right** and follow the sidewalk **north**, and those going out the **left side door** turn **left** and follow the sidewalk **south**—KEEP OFF THE GRASS.

Teachers nearest to the exits at the time of the Fire Alarm shall go out with the first group to direct the flow of students in the proper directions.

The following are the routes which students are to use in evacuating the building in case of a Fire, or Fire Drill:

THIRD FLOOR: Students coming from the Study Hall and Library use the **left side stairs** and leave the building through the **left side door** of the **WEST** entrance.

All other students on the third floor use the **right side stairs** and leave the building through the **right side door** of the **MAIN** entrance.

The **middle door** of the **WEST** entrance will be left for firemen to use in case of a fire.

SECOND FLOOR OR THE MAIN FLOOR: All students in rooms **south** of the main stairs go to the **SOUTH** entrance using the **left side door**, and follow the sidewalk east as directed.

All students in rooms **north** of the main stairs go to the **NORTH** entrance using the **right side door** and follow the sidewalk east as directed.

FIRST FLOOR, GYM, AND PHYSICAL EDUCATION DRESSING AREAS: All students in rooms **south** of the middle stairs go to the **SOUTH** entrance, use the **right side door**, and follow the sidewalk east as directed.

All students in rooms **north** of the middle stairs use the **NORTH** entrance, go out through the **left side door**, and follow the sidewalk east as directed.

Students in the Gym, or on the Stage go out either the **NORTH** or **SOUTH** entrance from the First Floor, or through the **BACK EXIT**, as shall be directed by the person in charge.

During the course of the year stairways will be blocked—then it becomes necessary for the teachers to give proper commands to evacuate the building.

BELL SCHEDULE

7:45—Junior High School Band. Cadet Band Rehearsal, Tues. and Thurs.

8:30—Library and Home Rooms open. Students may enter the building at this time in the following situations:

(a) In extremely cold weather

(b) Students who ride with parents who are going to work early

(c) Students must always go to their Home Rooms immediately

8:40—Students may enter the building, pick up their materials from their lockers, and go to their Home Rooms

8:50—Home Room absences and tardiness checked

9:00—Pass to 1st period class

9:04—Tardy to 1st period class

9:59—Pass to 2nd period class

10:03—Tardy to 2nd period class

10:58—Pass to 3rd period class

11:02—Tardy for 3rd period class

11:57—First bell for Noon dismissal—Study Hall and 2nd Floor dismissed

11:59—Second bell for Noon dismissal—Remainder of students dismissed

12:45—Teachers present and students may enter

12:54—Home Room absences and tardiness checked

12:56—Pass to 4th period class

1:00—Tardy to 4th period class

1:55—Pass to 5th period class

1:59—Tardy to 5th period class

2:54—Pass to 6th period class

2:58—Tardy to 6th period class

3:53—First bell for dismissal—Study Hall and 2nd Floor dismissed

3:55—Second bell for dismissal—Remainder of building dismissed

4:00—Building closed to students unless under teacher's supervision

4:30—Teachers may leave building—(Students may not remain in the building at any time unless under supervision of a faculty member)

CALENDAR—1964 - 65

September 2 School Starts
 September 7—Labor Day No School
 October 15, 16 N.D.E.A. Convention
 November 11—Veterans Day School will be in session
 November 26, 27 No School—Thanksgiving Vacation
 December 18 School is out for Christmas Vacation
 January 4 School begins after Christmas Vacation
 April 16 No School—Good Friday
 April 19 No School—Monday after Easter
 May 28 School is out

BICYCLE REGULATIONS

ARTICLE II. OPERATION AND EQUIPMENT

Sec. 5.15. Application of Traffic Laws Generally

All laws, rules and regulations of the state, or of the City now in force and governing or pertaining to motor or other vehicle traffic on the public highways of the State or of the City shall be applicable to the operation of a bicycle operated on any of the streets, avenues and public highways in the City. (Ord. No. 234, P. 1)

Sec. 5.16. Lights

Every bicycle shall be equipped with a lighted lamp on the front thereof visible under normal atmospheric conditions from a distance of at least three hundred feet in front of such bicycle and shall be equipped also with a reflex mirror or lamp on the rear exhibiting a red light visible under like conditions from a distance of at least two hundred feet to the rear of such bicycle.

Sec. 5.17. Horns or Bells

It shall be unlawful for any person to propel or operate a bicycle on any of the public highways in the City unless such bicycle is equipped with a sounding device consisting of a bell or horn of sufficient strength to give warning notice of the approach of the bicycle. All persons operating a bicycle on the public highways in the City shall operate the bicycle, and give the warning signals, and otherwise conform to the State laws and City Ordinances relating to traffic or public highways by motor or other vehicles. (Ord. No. 234, P. 3)

Sec. 5.18. Manner of Operation Generally

It shall be unlawful for any person to operate a bicycle on the public streets of the City unless at all times he has such bicycle under his control and at all times has at least one of his hands on the handle bar. He shall not permit his bicycle to wobble from side to side on such highways but he shall drive the same on the right-hand side of the highway and as close to the right-hand curb of the street as possible. He shall not engage in racing with other bicycles or vehicles on any of the streets, nor shall any driver of a bicycle drive the same from one side of the street to the other unless at intersections. He shall not use the streets, nor any of them, for play while riding bicycles thereon. (Ord. No. 234, P. 4)

Sec. 5.19. Riding on Certain Sidewalks, etc.

It shall be unlawful for any person to ride a bicycle on any sidewalk along a paved street. (Ord. No. 234, P. 5)

Remember—No riding double except if bicycle is built for two

Students riding bicycles to school shall park his, or her, bike in the bike rack provided by the school. Every bicycle must have a current city license.

It is the responsibility of every student riding bikes to school to carry a padlock to lock his, or her, bike while parked in the bike stand. Any bike not properly parked while at school will be impounded.

We discourage students who live within walking distance to ride bikes to school.

The school is not responsible for stolen bikes or bikes tampered with while at school.

Students walking to and from school must at all times use the sidewalk. (It is never proper to walk, or ride bikes, across lawns.)
